WE EXIST TO WORSHIP GOD AND MAKE DISCIPLES!

A God Said

Happy New Year to each of you! I count it a great joy to write to you this article at the beginning of another year our Lord and Savior has given to us. I count it no small thing to be here and to have the privilege to address you in such a way. Thank God for His indescribable gift!

The year 2012 is a significant year for New Horizon. It is our Silver Anniversary, representing twenty-five years of life for this congregation. Our theme for the year is "A God Said" which means a Word or Rhema spoken by God.

In 1985, God spoke a Word to me and said, "Go start a work on a New Horizon". That word was brought to physical fruition on the second Sunday of September 1987, with the first official worship service of New Horizon Baptist Church, as it was known at the time.

As we stand now twenty-five years later, it is very evident the hand of God is in this work. Hindsight is 20/20, and I see

God so big in things that at the moment they happen, they are obscured to me and others.

Those occurrences are now so pronounced and oozing with the spirit and glory of God. It makes you wonder how in the world did I not see that at the time. But that's how God works. He appears in such a manner that it is only when you look back that you see the full measure of His glory revealed. Hallelujah!

As we move into this year, I want members/regulars to know that I sense the wind changing direction. The wind is now on our back and not blowing against us any longer. We will now make up ground and see things happen with ease which formerly over the last few years were difficult. This year is also a time of celebration, as we celebrate all that we see that the Lord has brought to pass.

Finally, twenty-five years ago, the Lord said, "Go to a New Horizon!" I want you to know that we haven't fully arrived there yet. But there is so much

more to come! You may ask, how do you know Bishop that there is much more to come? I know my dearly beloved because I have "A God Said"!

A Clean Slate

Cassandra S. Moore

Brethren, I count not myself to have apprehended it, but this one thing I do: forgetting those things which are behind, and reaching forth unto those things which are before, I press toward the mark for the prize of the high calling of God in Christ Jesus.

Philippians 3:13 (NKJV)

Wow! Can you believe its 2012? Oh my, where did the time go? Well, 2011 has hung its hat on the shelf and called it done. Maybe in 2011 you did not do all you wanted to do, maybe you did not say all you wanted to say, maybe you did not go all the places you wanted to go; but the beauty of it all is, it is a whole new year and you get a Clean Slate to start over and try again! Let's forget the past and look forward to what lies ahead. Apostle Paul puts it this way:

Brethren, I count not myself to have apprehended it, but this one thing I do: forgetting those things which are behind, and reaching forth unto those things which are before, I press toward the mark for the prize of the high calling of God in Christ Jesus"

Philippians 3:13 (NKJV)

Several years ago when the New Year came in, I mistakenly would say, "Happy New You" instead of "Happy New Year". That started me thinking, maybe it is time for a "new me". How

about you? Are there some things in your life you would like to change? Are you tired of living the same old way year in and year out? Well, here is your perfect opportunity to change because you have a Clean Slate! Just by letting go of past disappointments, past hurts and pains, and even accomplishments is the beginning of change. Then remember; it is just that – the past, so let it go!

I made a decision; I am not going to focus on the past and what took place years prior, not even if it was good. Most of the time we want to forget the negative and keep the positive, but if we keep the positive who's to say we can't go even higher or do even better than before?

Keep in mind, you have a Clean Slate! Stay focused on your goals and purpose within yourself that nothing will stop you from having a dynamic 2012! I believe in you and you are capable of accomplishing ANYTHING!

HAPPY 2012!

Health Ministry Update

Mary Harris

New Horizon Church International Health Ministry is committed to helping you be healthier. We will have ongoing programs like Spirit of Healthy Living (SoHL), the Biggest Loser, and Beachbody Fit Club Exercise Classes as well as health screenings throughout the year. Our goal is for your body to be the temple that God intended it to be.

This being said, members of our congregation are participating in our Biggest Loser Program which started January 1, 2012 and ends on October 31, 2012. They will engage in exercise classes, make dietary changes as needed, and attend educational classes to reach their health and fitness goals.

Your Health Ministry is asking every member and friend of New Horizon to encourage these church members. We are also asking you to make a 90 day commitment to improving your body through exercise, dietary changes, education, and health screenings.

Our free Beachbody Fit Club Exercise Classes and SoHL Program is a great way to make this commitment. SoHL is a computer based, 12-week program with motivational guides which share simple, proven steps for improving your health during interactive classes and individually tailored online coaching sessions.

SoHL's web-based sessions are FREE, confidential and accessible 24/7. Visit www.my.healthmedia.com. Click on "Sign Up". Enter the Access Code: "Jackson". Create your "Personal Profile". Click on "Coaching". To access our SoHL Program, computers will be available during our exercise class on site at our Wheatley location and at NHCI bookstore when open.

Every Monday and Thursday from 6 p.m. – 7 p.m., our free Beachbody Fit Club Exercise Class and our Biggest Loser Program will be held at our 3565 Wheatley Street location.

Free Kidney Screening, our first 2012 health screening, will take place here at New Horizon Church on Saturday, January 28, 2012 from 9 am – 12 noon. Tests include a full renal panel, complete blood count and cholesterol check. Onsite tests include blood pressure, blood sugar and urinalysis.

Your attendance and support of our Health Ministry Programs and Screenings will show God your commitment to having your body be His temple.

Your body is the temple of the Holy Spirit, who lives in you and was given to you by God? You do not belong to yourself, for God bought you with a high price. So you must honor God with your body. *1 Corinthians 6:19-20 (NLT)*
