HISTORY AND TIMELINE

Following a word from God to “go establish a church that would be on a new horizon,” Ronnie C. Crudup, Sr. founded New Horizon as New Horizon Baptist Church in August 1987. The first worship service was held on September 6, 1987 at New Heights Seventh Day Adventist Church.

The congregation started with 61 charter members along with their children. During the first two years of our existence, First Lady Jacqueline Crudup established New Horizon Child Care in 1988, we started Children’s Church led by Charles and Gail Smith, we aired our first radio broadcast on WOAD, and we became the first non-state certified Elderly Daycare Facility in addition to establishing New Horizon Ministries, Inc. in 1989. The congregation met in a variety of rented facilities during the first three years which included New Heights Seventh Day Adventist Church, The Holiday Inn-Medical Center (now the Cabot Lodge-Millsaps), Grove Park Community Center and the Jackson Mini Mall Shopping Center. The following are significant dates and events in the 35 year history of NHCI.

“Count It All Joy!”

New Horizon Church Congratulations on 35th Anniversary!

Mission Mississippi - Theme for 2022
"A Deeper Dive into the Racial Divide Through Deeper Relationships"

Theme Scripture: Luke 5:4
"...Now go out where it is deeper, and let down your nets to catch some fish."

We are challenging Christians over the next 12 months to go deeper in their relationships across racial lines. This involves being open and honest with our brothers and sisters in Christ through:

Deeper Relationships
Deeper Trust
Deeper Respect
Deeper Truth
Deeper Conversations
Deeper Understanding

Deeper Questions
Deeper Faith
Deeper Intentionality
Deeper Connections
Deeper Gratitude
Deeper Service

Join us each month as we dive into each monthly theme through our weekly radio program and monthly articles in Mississippi Christian Living.

DEEPER RELATIONSHIPS

To take the deeper dive and develop a deeper relationship requires personal initiative, prime time, and productive dialogue.

1. First, you must take the initiative to connect or make the move to activate/cultivate the relationship.
2. Secondly, you must invest your most valuable resource, prime time, which demonstrates your relationship with God and others.
3. Thirdly, you must be willing to have difficult conversations. Racial healing occurs through difficult conversations with humility, vulnerability, and transparency, which enables us to hear the other person's heart and perspective, thus deepening relationships.

The New Horizon Church Creed

Having received Jesus Christ as Savior and Lord of my life
and having been filled by the power and the presence
of the Holy Ghost, I believe the following to be true about myself,
other members of this fellowship, and those in the Body of Christ.

I am the beloved of the Lord and highly favored!

I am saved for all eternity, covered by the Blood,
and clean before the Father!

I am a citizen of heaven and an heir of the promises of God!

I am God's superman/superwoman: a strong man/woman
over my family and home, and in all the areas
God has allowed me to tread upon!

I am a sin-buster, an enemy of the devil and demons,
a living weapon, divinely powerful-destroying the works
and strongholds of the enemy!

I am a saint of God, a faithful brother/sister, a proclaimer
of God's Word and a model of holy living!

I am more than a conqueror,
a member of the royal family and royal priesthood!

I am the redeemed of the Lord, a new creation, a minister
of reconciliation, and an ambassador of the kingdom!

I am somebody in the Lord! I am special, talented, brilliant,
beautiful, courageous, and competent – I am strong!

I am God's Man/Woman!
